"Wings in the Wilds"

WATCH FOR BUS STOPS & CHILDREN

Our Chapter Directors Mel & Jodi Lufsey

September has been a very busy month for most of us as it began with All Chapters West and the Weedville Parade. Then came the Gettysburg Convention followed by the monthly gathering and Peanut Butter Festival Parade. Our Ladies I-Peds came in first in both parades and Quackers appeared in both parades and showed up at the convention where he really made an impression.

I was reading Chapter G's newsletter and noticed that they are currently looking for a Chapter Mascot. It will be interesting to see how many chapters join us in this kind of fun around the district. I want to give everyone advance notice that the Convention will be back in Gettysburg for 2013. I am sure the dates will be the week following the Labor Day weekend so mark your calendars now. We took 26 members this year and I hope to see that many and more next year.

On Saturday, September 22nd, seven of us traveled to Chapter W for their gathering and Bug Run. We arrived on time and when we entered their room we were amazed as to how many other chapters came to visit also. You may think our room gets full at times but we have never been packed like this. It was so full that no one left the room without asking several others to move closer to their table. The best part was no one even cared because we were just having too much fun.

I tell you this because our **Gathering this month will be on a new day and at a new place. Friday, October 19th, come to Hoss's in Dubois at 6:30 pm and eat with us ,and stay for the Gathering which will follow at 7:30 pm.** We are doing this for **October and November** in hopes of seeing even more of your smiling faces. We are also drawing the winner of our Steeler Tickets and spending money.

I know the riding season is soon to end but watch your emails as we add last minute rides as weather permits. Don't forget about the Halloween Party on October 27th at the Simcox Party Barn.

Take Care All Mel & Jodi

SUPPORT OUR SPONSORS !!!

We have several businesses sponsoring our Chapter. Look for their ads in our Newsletter. Whenever you get the opportunity, please support them and let them know that you are from "PA Chapter I" and thank them for their support!

**Our Assistant Directors
Pam & Bill Crissman**

Hello All,

Thank you! Thank you is the message I want to convey in this newsletter!

I wanted to take a few minutes to say Thank You to everyone who helped me get ready for the convention. I could not have done any of it without all the cooperation I received! No matter what I asked you to do you were eager to help and for that I am most appreciative! Everyone who attended the convention had a great time. If you have never participated in the District convention you need to plan to do so in 2013.

I-peds, job well done! Three parades and placed first in all three. Thanks Danise for helping us rise to our potential and be the best we could be. Look out next year!!!!!!

We still have raffle tickets available to sell. Please let Mel know if you need more. I am not done with my thank yous...I need to say thanks to everyone who helped sell tickets at the Peanut Butter Festival. We did very well and because of your efforts we are that much closer to our goal. A special thanks to Bill for all he did to get everything set up and to Haley for keeping it from blowing over.

We continue to add roll for the dough points, with only a few more opportunities to do so for this year. I would encourage all of you to participate in this program; it is the best way to meet members of other chapters and increase your GWRRA family and make great memories!

In closing it is hard to believe that riding season is about over. Only a few months ago we were planning a trip to Knoxville, TN, getting the ride schedule completed and starting to plan for the

District convention. Also a few of us were starting to practice for the parade season. Well it has all been completed. So long September!

Have fun, be safe and learn something new,

Bill and Pam Crissman

**Our Assistant Chapter
Educator
Ray & Doreen Snyder**

Fun-safety-knowledge with GWRRA when you think of safety I think of ride education level program. By taking part in the levels program is a way to show your commitment to riding safe. My goal is to get everyone who would like to take part in the ride level, sign up before the end of the year. Also, I want to get anyone who would like to move up in the levels and information updated. I will be in touch with as many as I can over the next couple months. But feel free to call or email me. Also if you would like information on the ride level program or you can go to gwrrapa.districts and go to Ride Ed. Call or email me at hsnyder12@windstream.com

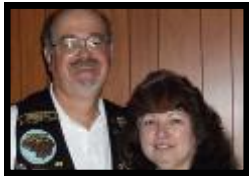

Thinking of You ...

Pat Delo as she recovers from surgery.

Laura and Randy Zimmerman as they both continue to recover from surgeries.

Roger Witter as he continues to recover from surgery.

Our Couple of the Year Coordinators Ray & Doreen Snyder

Hi everyone,
It is the last Friday in Sept. and it means that it is time to reflect on all the wonderful memories that has happened this month with Chapter I friends. It was very busy and we were able to participate in all the events. On Sept 2, Mel led us to Chapter Q's B.Q. with a total of 6 bikes. Some of Chapter I was already there camping. Sept. 3 was the Weedville Parade and Chapter I was well represented and the Ladies Trike Team entertained the crowds and left with First Place from the judges. In two days which was on a Wed., a large group of us went to Gettysburg to tour the Battlefield on Segway sans then we were at the Convention till Sunday. It was a fun time with so many things that Chapter I was involved with. Mel introduced our mascot, Quackers. If you would like to see the video and a few others, I posted them on the Chapter I site on Facebook and also on Utube. The next event was the Gathering at Gary & Carol's place. It was a full room and afterwards the ladies practiced their routine in the driveway before heading to the Peanut Butter Festival. We had fun with our duck hats and our duck calls. We were waiting along the river quacking and there were duck coming to see us from the water. What a fun time! The Ladies Trike Team had fun in the parade and the crowds and Judges enjoyed them. They got another First Place and a trophy too. On Thursday, Sept. 20 was the supper / ice cream get together with 14 of us eating and chatting. The last event was last Saturday and we left the house at 5:30am to meet Ken and Deb outside Punxy and then we went to meet Mel , Gary & Carol to continue our trip to Chapter W's gathering and bug ride. We had rain the whole way till we got to Everett, Pa. It was sunshine when we got to Everett and stayed the whole time that we were there. It was 82 degrees when we left and as we started going toward home, the dark clouds were surrounding us on our bikes. Mel found us a spot to get our rain gear on as we could see the rain up ahead the way we were going. When we got to Indiana to eat supper, the sunshine was there to greet us and it was a nice ride home.

Take Care and be safe riding! Doreen & Ray

MD to Chapter F--watch email for update

Come Join Us !!!!

Something for everyone !!!

Our Ride Coordinators

Dan & Holly Stitt

WOW!!!! Another month gone and a pretty good one it was. We started out with the Weedville parade and our I-Peds did it again. Another first place, you girls are awesome! From there it was on to Gettysburg for the PA State Convention. Some of us went down early and did the 9 mile Segway tour of the battlefield, really nice way to see and learn about the battle. Chapter I had a good time at the rally (see videos that Doreen took). Then we went to the Peanut Butter Festival in New Bethlehem where our I-Peds did it again, another first!!!

October 7th, Mel is putting together a Roll for the Dough to Chapter E in Belle Vernon. Weekend of October 13 & 14, watch your email as plans are in the works for a Fall Foliage ride (weather permitting).

Friday, October 19th will be the Gathering at Hoss's in Dubois. Eat at 6:30 p.m. and Gathering at 7:30 p.m. The next day, weather permitting, Holly and I will be leading a ride yet to be determined, again watch your e-mail.

October 20th, another opportunity for Roll for the Dough, a ride to Chapter C in Chambersburg and possible Chapter F in Hagerstown, MD on Sunday. Please let us know if you are interested.

On October 27th the Halloween Party at Simcox Party Barn at 6 p.m. So until then, Have Fun and Ride Safe,

Dan & Holly

**Our Newsletter
Coordinators
Deb & Ken Smith**

Hello Chapter I

Wow what a month September has been! Ken and I were able to participate in many Chapter events this month. We were part of the Weedville Parade for the *very first time*. What a lot of fun it was ! I didn't know that there were that many little kids in the small town of Weedville!!!

Next was the Gathering at Gary & Carol Doverspike's home. What a great time we had and many thanks to Gary and Carol. So many members traveled to their home and then went to the parade with us. We had a great showing of bikes in the parade and also the ladies' Trike Team (I-Peds) got first place in this parade and of course the Weedville Parade. Afterwards, some of us met up with Gary and Lori and helped out at our booth in the Festival. We had great success there too as Carol just (literally) "pulled" passersby into our booth and sold them chances on Steeler tickets! Way to go Carol !!!

There were several of us who braved the "cold" on our bikes to go to the Roadside Café for the ice cream run. Although all of us there met and ate together, we also had ice cream together!!!

On September 22, Ken went out and pulled the bike out of the garage at 6 a.m. to go on the Roll for the Dough ride. I asked him if it was raining and he told me "No!" I then told him, well, I am putting my rain gear on now because we will get wet at some point, to which he said he would put his on while we were waiting at our location. Well, I was ready to go and guess who was putting his rain gear on right after we walked out the front door !....Yep, he was!! It was raining !!! We met Ray and Doreen in Marchand and they told us they didn't have any rain until Punxsutawney. (that figures) So we set out and met up with Mel and Gary and Carol on Rt 422. It had quit raining by then and we only had a few "mist-ings" after that. Wow, talk about a "packed house" at a Gathering!!! We were really "packed in like sardines" at Chapter W, but we had a best time with all of them! The Bug Ride, was through beautiful back country roads and the weather held out for us! And of course, we had an ice cream stop on the way back to Everett.

We have met so many wonderful people by participating and visiting other Chapters plus the All Chapter Events and Camp outs !

The fun we have had with Chapter I and other Chapters could only have occurred by our participation in the events!!! Come join us and have fun and ride together!!! PS. Don't forget the last chance to purchase a Steeler Raffle ticket is October 19! Keep Riding and Keep Smiling !!!! Deb and Ken

Getting that Time of Year

By Gary Schill

Another riding season may be just about kaput, and I'm sure most of you are thinking- ahhhh shucks! But there is a good side of cold or non-riding weather and time too. The upcoming winter provides possibly some much needed time to repair that little problem that may have been plaguing you this riding season. Or, maybe adding some of the latest farkles to your bike. Just seen some new LED and chrome trim for the 2012 Goldwings and I'm sure some future years as well. So, while it's nice to ride whenever we can, off season allows us to do some maintenance or dressing up for next year. If you don't have a good place to work on your bike and prefer to take it to a dealer, I'm sure the dealers (remember the three that advertise with Chapter I) won't mind one little bit, and schedule backups usually are not the norm during the off season. So, get that oil changed before storage (not next spring), check your hydraulic fluids, and if they are yellow or worse yet root beer in color, by all means, get those systems flushed and install new fluid (DOT 3 and 4 users). Clean the bike before storage, and if on your agenda, get the new farkles installed.

Many GW owners as well as other brand owners now make extensive use of the internet to figure out and repair problems with their bikes. Here are a few sites for Goldwing owners:

The GWRRA Homepage (www.gwrra.org): Do I need to say more?

Steve Saunders Goldwing page (<http://www.goldwingfacts.com/>): One of the main GW sites for owners.

Goldwing World (<http://www.goldwingworld.com/pages/index1.htm>): Another great source of information.

[Chrome World](#), [Küryakyn](#), [Wingstuff](#), plus many more for a variety of parts and accessories.

Then of course, there are many videos to demonstrate Goldwing finesse such as:

[How to set a fallen Goldwing up](#). [Wheelie a Goldwing](#) (not recommended!) plus I'm sure others. So just do a search on the internet, you will probably be surprised at all the sites and other information available. And just in case the next newsletter doesn't quite make it out in time - Please, don't forget to vote on November 6!

QUACKED!!!

By Bill & Peg Zortman

"QUACKERS" made a triumphant entry on stage Friday evening, September 7, 2012 at the PA District Convention in the Eisenhower Hotel & Conference Center in Gettysburg, PA.

With the encouragement of our leader, Mel, and to the sound of 20+ Duck Calls, the new PA-I mascot, Quackers, danced his way to the stage and, judging by the enthusiastic welcome, into the hearts of all.

Quackers wasn't the only excitement in Gettysburg. PA-I's Frankenstein, Boris and an amazing lineup of talented ghouls entertained at the talent show with a MAGNIFICANT MONSTER MASH.

THAT'S NOT ALL...

Chapter I concocted HATS for the hat parade. They were stupendous with that one big Eye ("I"... get it?) and those big bat wings. We were all a little 'batty'.

BUT THAT'S NOT ALL...

Our PA-I decorated TABLE took a tumble and ended up on end... to become the skeleton of an 8-foot witch with glowing eyes who held a giant jack-o-lantern. How did they do that?

BUT THAT'S STILL NOT ALL...

We at PA-I were to invent GAMES. We did. Rally goers were invited to try their luck with Rosy Nosy, Funny Bunny, Kill Phil, Pat's Pot, Cupid is Stupid and Punkin' Chunkin'. We aren't sure who had more fun - the players or the workers.

AND THERE WAS EVEN MORE FUN...

"A Year of Holidays", the PA District (Rally) Convention, had cash drawings, planned rides, guided tours, good food, and go-ahead-back-for-more ice cream. There were vendors, vendor donated giveaways, Rider Ed basket giveaways, Seminars and so much more.

Bill & Peg are very happy we didn't have to choose the winning table - the Conference Center people were put to that task. I'm happy to say there were 19 chapters represented out of the 21 active PA chapters. I'm kinda prejudiced and liked our giant witch, but The Veterans Day table of PA-K won 2nd and the imagination of PA-B with their Arbor Day tree give-away took the first spot.

The Parade of Hats included nearly everyone in the room. The talent show was not judged and that was a good thing because in our opinion they were all good. The "Red Solo Cup" performance by PA-V keeps replaying in Peg's warped mind. Our own Gary Doverspike brought everyone to his/her feet in a standing ovation with his singing of Alan Jackson's, "Where Were You When the World Stopped Turning" and then we watched in awe, as Dana Hartle and Mike Mandell became, "2 suckers on a stick".

At Closing Ceremonies PA-S bragged that they got 361 people to carry around an egg for 3 days. PA-N and PA-I tied at 26 in number of chapter participants attending. The National Anthem was sung by 348 of us. Al Westfall lead his PA-N people in recognizing our veterans with the presentation of a USA flag and then including all law enforcement and first responders with a heartfelt thank you. Al made us all remember how precious our freedom is as he explained the "Missing Man Table".

There were somewhere around 80 bikes in the Night Bike "Procession". We thank PA-V for hosting the rally and making it possible to have a bike parade (procession) and for going the extra mile to become Certified Pennsylvania Flaggers (Traffic Control). They guarded each intersection as the group passed.

Let me note here that PA-V is our current Chapter of the Year and they ate first at the 'Thanksgiving' banquet... They earned it. Congratulations to you all PA-V.

Due to some creative time management work done by those in charge both the Bike show and the Rider Ed classes were successful in spite of "Isaac". The retreating bands of this dying hurricane threw in some knock-it-down high winds and heavy rains. Hay, didn't we have a hurricane last year?

Our PA-I people Dana & Danise Hartle, formally took over the PA District Director spot as Tom & Renee Wasluck formally stepped up to the Region B leadership post. We also applauded our PA-I people, Dave and Cindy Marconi, as they were announced as the new PA District Goodies people and to Diane Heffelfinger as the new PA District Membership Enhancement Coordinator.

With that thought in mind we want to thank Mort and Ruth Smith who held that position for many years.

George Simcox walked to the stage as his name was announced as the PA-I Someone Special this year. And **YOU ARE VERY SPECIAL GEORGE**. Long time members of GWRRA, Joyce and Peep Hikes of PA-C won that honor at the District level. Our congratulations to all those very "Special" people.

We all know Walt and Pat Cole of PA-Q. Well now you can address them as Mr. and Mrs. PA District Couple of the Year. Have Fun Walt and Pat.

PA-S outsold us. The district allotted 200 lottery tickets to each chapter. PA-S sold 416, PA-I sold 311 and PA-K sold 250. This lottery is the way our District earns money to carry on it's job and we (all 21 Chapters) can be proud that we did our part.

I saw a wall of food where the Food Drive donations were gathered. Word has it the folks from OPERATON COMMUNITY CARE left with tears in their eyes as they witnessed the generosity of the GWRRA family.

We met J. Rapper, the alter ego of our new GWRRA Director Jere Goodman. Mr. Rapper came on stage with encouragement from his lovely wife, Linda. Jere had us all in stitches as he invited us to Wing Ding 2013 in Greenville, SC. You had to be there!

As for Bill & Peg Zortman... WOW! What a good time. We renewed old friendships and made new friends. We had thrilling adventures and helped others make exciting memories. We toured beautiful roads, saw turkeys (the bird kind) and Peg brought home some of those delicious Chambersburg peaches.

If it weren't for our Gold Wing motorcycle and GWRRA we

wouldn't have met any of you --

nor laughed so much. Thanks to all of you in the GWRRA family. WE HAD FUN!!!
