CHAPTER 'W' NEWSLETTER NOVEMBER-DECEMBER 2011

Director's Corner

by Chuck & Evelyn Stone

Hi everyone:

As I set here watching the Steelers and Ravens game and attempting to compose this article I suddenly realized that the riding season has come to an end. Thinking back this has not been one of our better riding seasons with all the rain we had. I'm sure we'll have a few more days of good riding weather before we have to put the bike/trike away for a well deserved rest.

We had a very successful Dice Run and I would like to take this opportunity to thank all the Chapters who supported Chapter "W" in this event. We will be starting to plan our second annual Dice Run after the holidays.

Chapter "W" with 12 members participating got its first point for the 2012 Roll for the Dough program this past Saturday visiting Chapter "S".

On November 19th Chapter "W" will travel to the Road Kill Café for breakfast leaving the Masonic Temple at 9:00 a.m.

On December 17th Chapter "W" will have a Covered Dish Christmas Party which will be held at the Everett Fire Hall starting at 6:00 p.m. More information on this event to follow.

We appreciate everyone's help and cooperation in making our Chapter successful.

Evelyn and I would like to wish everyone a Safe, Happy and Joyous Holiday season.

JUST A REMINDER: CHAPTER "W" HAS NO GATHERING IN DECEMBER.

"Ride Safe & Ride Proud".
Chuck & Evelyn Stone
Chapter Directors - PA "W"

Assistant Chapter Directors: Chris & Christie Hull

Hi to all Chapter W,

Wow, it's November and the last ride is to Rode Kill on the 19th. I just can't believe how fast the time has flown this year. For Christie and I, we rode a lot more this year than we ever have! I am hoping for even more this coming year!

I want to thank all who were involved with the dice run for a job well done!! "The Road Captains"... I heard from the riders they liked the route you had laid out and the length; "good Job". I also want to give Gary an {atta boy} for all the help he gave to the rider that the bike slid out from under and I can't forget "Bill and Peggy" too for making sure that bike and rider got home safe. Yes! We all had our hands in this. "We all made this a good Dice run" and WE ALL made this Year A GREAT YEAR FOR CHAPTER W.

We have already started on 2012, just this last weekend, with going to visit with Chapter S. Let's make this year an even Better one.

Happy Thanksgiving Everybody

Chris & Christie Hull
Assistant Chapter Directors

Couple Of the Year and Membership Enhancement Coordinators: Gary & Mable Washington

Hello Fellow Riders

Mable and I have enjoyed the riding season. It has been a year to remember being MED & COY representatives for you. I guess all good things must come to an end and that is the way with putting the trike away for the winter. Before we do that, I have to take it to my detailer to fix a couple fenders that Mable has redesigned! She has assured me the vests will be totally ready to go by SPRING. We often feel a little tried, trying to keep up with the "youngsters" in our group, but we sure had a good time.

Roll for the dough has been a great opportunity for me and Mable to break bread with folks that have similar interests; eating & ice cream. Roll for the dough has also brought some new ideas for our club's continued growth.

Hope to see everyone and maybe a few visitors at the Christmas Party.

Be safe, Gary  &  Mable @ mablew@pennswoods.net

FROM YOUR CHAPTER

EDUCATOR

Those who continue to ride through the winter will still benefit from some of these tips to keep your ride in top shape. It is never too late to prepare your bike for that long winter's nap.

Below is a check list for basic winter storage that will help make sure your ride survives until spring

- ✓ **Stabilize the fuel.** Modern unleaded fuel only has a shelf life of 3-4 weeks before it begins to deteriorate. Add the recommended amount of fuel stabilizer to a full tank of fuel, then run the engine for at least 15 minutes to work the stabilized fuel throughout the engine. This will prevent the remaining fuel residue from oxidizing and turning to varnish. Be sure to purchase a reliable brand of fuel stabilizer.
- ✓ **Change your oil.** Now that your bike is warmed up after running the stabilizer through the engine, change your oil. Residual fuel and contaminants in the oil can oxidize during prolonged storage or inactivity. Changing your oil now removes all the sludge and dirt that would otherwise start to deteriorate. Run the engine a few minutes to disburse the oil through the engine.
- ✓ **Prepare the Battery.** Lead-acid batteries should be kept under a constant charge in order to prolong their life. Attach a Battery Tender or specialized charger that won't overcharge your battery. A trickle charger may be used but the battery should be kept charged regardless
- ✓ **Clean and Lubricate.** Dirt, sand, and road salts will begin to corrode and damage metal surfaces if left during storage. Give your bike a good cleaning before putting it to sleep for the winter. Lubricate all moving parts such as cables and use a metal protectant spray on the underside of the frame and drivetrain.
- ✓ **Check your Tires.** Make sure your tires are properly inflated. If you have a compressor then deflate your tires first to expel any moisture, then inflate with clean compressed air. You should repeat this step before riding again in the spring.
- ✓ **Cover your Bike.** Even when stored inside, your bike should be covered while stored. Use a cover that can breathe and not a plastic tarp. Moisture should not be allowed to become trapped under the cover on your bike's metal surfaces. If your storage is in a barn or similar place, cover the exhausts to prevent any unwanted creatures from making a winter den. Place plastic bags over the intake to keep moisture out.

That's basically all there is to storing your bike. There are a hundred more suggestions out there, but for the most part these steps will ensure your investment gets a safe winter's rest. Once stored, resist the temptation of periodically starting the engine, or at least until you are ready to drain the stabilized fuel and start riding again. Use this storage time to work on those maintenance projects you have been putting off, like changing the fork oil.

Practice Safe Riding.

CHAPTER W

ACTIVITY and MEETING SCHEDULE

Nov 05 – Chapter “S” Gathering – Leave at 7:30

Nov 19 – Road Kill Café – 9:00am - Rescheduled from Oct 29th -

Nov 26 – Monthly gathering 9:00am at Kelly’s Scenic View Restaurant in Everett, PA

Dec 17 – Christmas Dinner – Covered Dish at Everett Fire Hall – 6:00pm

Dec 24 – **NO GATHERING** - Merry Christmas and Happy New Year

Jan 28 – Monthly gathering 9:00am at Kelly’s Scenic View Restaurant in Everett, PA

Feb 25 – Monthly gathering 9:00am at Kelly’s Scenic View Restaurant in Everett, PA

Mar 24 – Monthly gathering 9:00am at Kelly’s Scenic View Restaurant in Everett, PA

Apr 28 – Monthly gathering 9:00am at Kelly’s Scenic View Restaurant in Everett, PA

BIRTHDAYS:

November - None
Dec 13 – Mable Washington
Dec 26 – Marcia Wolfe
Dec 30 – Christie Hull

ANNIVERSARIES:

Nov 13 – Bill & Peggy Grimm
Dec 10 – Buzz & Nancy Grimm

ROLL FOR THE DOUGH:

As of 11-06-2011 one Chapter has earned points.

Chapter W – 01 point;

THOUGHT FOR THE DAY:

To have enough to share—to know the joy of giving. To thrill with all the sweets of life—is living.

District Director Notes: November, 2011

It's really hard to believe that it's November already. Before you know it we will be celebrating Thanksgiving with our families. Since I'm working out of town I'm a little behind on getting ready for the holidays. Usually by now I've started hanging the more than 10,000 Christmas lights on the outside of our house. I may have to cut back this year if I don't get started soon. The 8,000 or more lights on the inside of the house will wait till after Thanksgiving Day.

I'm not really looking forward to the cold weather that is in store for all of us in Pennsylvania, especially since we already had over 10" of SNOW at the end of October. Hope that is not a sign of what's to come this winter! It's been a few years since I was able to say that I rode all year, even during the winter. Once the snow starts and the roads are covered with cinders and salt that puts an end to my riding.

It is with great pleasure we would like to announce that next year's convention will be held at the Eisenhower Hotel & Convention Center in Gettysburg, Pa. Our theme for the 2012 convention will be "A Year of Holidays". The dates will be **September 6, 7, and 8th**. We have been able to secure rooms for the membership for \$94 + tax a night. Please be sure to make your reservations as soon as possible at 1-(717)-334-8121. Be sure to tell them you are with the Gold Wing Road Riders Association. There is also an on-line service with the hotel to make your reservations. Please use this web site address to make on-line reservations:

<http://75.146.237.41/V1WebControls/GroupComments.aspx> As soon as the flyer is completed we will send this out to all of the Chapters and post it on the District web site.

Since it is still early, plans for next year are still being worked on. Do you have any

suggestions for events during the convention? E-mail us and let us know.

Chapter V has volunteered to be the Convention Host for 2012. We look forward to working with them as the 2012 Host Chapter.

We have a Chapter that has volunteered to organize the games for the 2012 convention. **Chapter I** has stepped up to create the fun games for all of you to enjoy on Friday morning.

We are in need of a chapter to step up and organize "All Chapters West" for 2012. It's not too early to start planning. **Chapter R** has stepped up and has agreed to organize "All Chapter East" for 2012. We are already looking forward to it. All Chapters East will be held on June 22 – 24 at the Sheshequin Campground in Trout Run, Pa. Once flyers are available we will distribute them to all of the Chapter Directors and post it on the District web site.

As most of you are aware, **Dana and Danise Hartle**, NW ADD's, term of three years has ended. They served a year with Chuck and Evelyn Stone, and two years with us. Dana and Danise were an invaluable member of our team and an asset to the Pennsylvania District. We are proud to have had them as members of our team and to consider them our friends always.

Rick and Andi Reik will be taking their place. They have already begun to visit the chapters. We look forward to working with them.

Affective October 21, 2011 **John Steele** has resigned as the Pennsylvania District Educator. He has personal reasons that need his attention. John has done a fantastic job as our District Educator these past two years. We would like to wish him well.

Our search has started to find someone to take on the important role as our District Educator. If you are interested or know of a good candidate for this position please let us know.

New Chapter Team members coming on board the next Officer Certification Program training dates are November 12th & 13th, 2011. There is still time to attend the training but you need to contact our District Trainers soon. If you are unable to make this date our District Trainers will be putting a class on sometime in the beginning of next year. Keep watching for announcements for this class.

We have started plans for the District Team meeting as of this date. For the Chapter Team that is staying on for 2012 and the new members coming on board, please keep in mind that we will be having the District Meeting in March. We are looking at **March 17th** as the date; please keep this date open so you will be able to attend. This is plenty of time for all officers to make plans to be at the District Meeting. Information on the location will be coming soon. Those plans are still in the works. Hope we can get this one in without the snow storm of the year!

Since it has been a busy summer, we wanted to remind you that working on the paperwork for the Chapter of the Year Program throughout the summer would make it a lot easier to complete the paperwork once it is due. We will be sure to let you know what the due date is, in one of our District Newsletter articles or by e-mail.

It would be great to have a few more Chapters complete the Chapter of the Year paperwork. Pennsylvania was outstanding by having a District Chapter of the Year, Chapter PA – I, then they became the Region Chapter of the Year. PA-I represented all eleven states in the Region for 2010. What better way to finish 2011 then to complete the Chapter of the Year paperwork and become the Pennsylvania District Chapter of the Year with the chance to represent the Region.

[http://med.gwrro.org/guides/choy/2011ChapteroftheYear\(June%202011\).pdf](http://med.gwrro.org/guides/choy/2011ChapteroftheYear(June%202011).pdf) is the web address that will take you to the GWRRA web site that contains all of the information for the Chapter of the Year Program. If you have any questions you can contact our Region CHOY Coordinators, Mike & Shirley Prince at rbchoy@gwrrapav.org, our District Membership Enhancement Coordinators, Mort

& Ruth Smith at ladyhawk46@verizon.net, or us at goldwing@ptd.net.

What a wonderful year for the "Roll for the Dough" program. In the inaugural year we had 12 chapters participate with a total of 95 visit points and two chapters that qualified for their charter refund.

With the "Roll for the Dough" program ending on October 31st, 2011 we found that we had 13 chapters participating, amassing a total of 155 visit points with 5 chapters qualifying for refunds of their annual charter fees. This equals a 63% increase in visits! GREAT YEAR!

The standings are as follows:

1. #9; Chapter R with 30 points.
2. #9; Chapter C with 23 points.
3. #9; Chapter Q with 22 points.
4. #9; A tie! Chapter V and Chapter W with 20 points each.

We wish to congratulate all chapters that participated; we hope this program catches on to more of the chapters next year. It is a great way to get out and meet other people, make new friends and get new ideas for events or happenings within your chapter. The program has already started for 2012. As of November 1, 2011 the guidelines for the "Roll for the Dough" will remain the same. Let the visitations begin!

Clair & Ruth Matter have done a great job as our Chapter Visitation Coordinators with keeping the District Web Site updated with the chapter points. We would like to thank them for a great job.

A few years back, we were honored to be chosen to be the Chapter Couple for Chapter H. When we asked what the responsibilities were, we were told, all we had to do was sell 50/50 tickets. Believe it or not, selling the tickets was a good thing, because we were able to talk to everyone, learn more about the members in our home chapter and more about this organization. As the year went on, we discovered the Couple of the Year was much more than being the ticket sellers! It was an honor to be chosen to be our chapter's ambassadors wherever we went. It was fun! We met so many warm and friendly people, many of which have become good friends to us. Every chapter has at least one couple that has contributed to the chapter and should be

honored by being chosen to be the Chapter Couple. We ask that every chapter take a look at your membership and select a deserving couple to represent you. Notice we said select, this is something that the Chapter Director should do or have a group of members get together and select a couple to represent them.

Happy Thanksgiving
Tom & Renee Wasluck
Pennsylvania District Directors

SW ASSISTANT DISTRICT DIRECTOR:

As with changes that happen at the close of every year in our lives, so it is with the district team. At the end of October, Dana and Danise completed their term as NW ADD. It has been a pleasure working with them for the last two years. They have been a real asset to GWRRA on the state level. Danise's liveliness and fun outlook on life will be missed. Dana's strong personality and his ability to listen and read into other's thoughts not only helped members realize their true desires but also at times, could keep the waters calm. They are looking forward to being active members of Chapter I and we are sure Chapter I is looking forward to their return. Dana and Danise, we will speak for the entire district and offer our thanks for all you have contributed to GWRRA. You made a difference!

With their departure, comes an opportunity to welcome new assistant directors. We welcome Rick and Andi Riek to the position of NW ADD. We have become friends with them through their position as Directors of Chapter T in Somerset. Although they have big shoes to fill, these are two people to do it. They are always laughing and having fun in everything they do. You may recognize Rick, as the guy who is always man enough to wear a pink hat. We offer a huge welcome to both of them. Be sure to welcome them to their new position as you see them in their travels.

Fall's arrival also brings the closure to the current year's activities. It also signals that the paperwork season begins. We offer a

reminder that chapter charter fees are due to us by mid November. We also have a few chapters that will be changing officers, so we will be visiting soon to complete the paperwork.

With November being a month of Thanksgiving, we want to share that we are thankful for the friends we have made in association of GWRRA. We also are thankful for the dedication and time devoted by the officers of our district and the great SW chapters F, P, W, E, S, and T. We are also thankful for all the members that make these chapters some of the best in the USA. We offer our wishes to all for a warm and family oriented Thanksgiving.

In the meantime, enjoy any warm days that sneak into the month of November. Happy Thanksgiving to all.

Jim and Diane Heffelfinger
PA S.W. Assistant District Directors

GET WELL WISHES:

The District sends get well wishes to everyone in the District that has been ill or not feeling well.

CONDOLENCES:

Hank Wales died Oct. 12. He was 94 and is survived by his wife Urchil and their sons. Hank was resting and died peacefully at home. Hank and Urchil have been members of GWRRA for 27 years and associated with Chapter A. You may contact Urchil at:
4 Michelle Lynn Dr.
Lancaster, PA - 17602
717-393-4515

The District sends condolences to Jerry & Sandy Gilman, Chapter participants of Chapter Q on the recent passing of Jerry's father, Raymond Gilman, 93 of Kissimmee, Florida. Cards can be sent to:
Jerry & Sandy Gilman
16 Valley View Drive
Russell, PA 16345

National News:

As Director, it is my job to listen to our Officers and Membership regarding issues they are having with requests we are making of them. One of the issues is how we manage and maintain the Area Run List (ARL). Over the last couple of years, we have tried to ensure that all of our Officers are correctly listed on the ARL and that retired Officers are removed. To do this has required annual, or in some cases, semiannual manual audits. Much of this burden has been placed on the District Teams. It is very labor intensive and time consuming.

Recently I reviewed the ARL list from Region E, F, and I. I used District and Chapter newsletters and websites to compile a list of current Officers and then compared that list to the current ARL. Unfortunately, there were over 600 additions and deletions that were needed. Keep in mind that these three Regions only represent about 30% of our Membership and Officers. The only conclusion I can draw from this is that there is somewhere around 2,000 corrections needed. It became very apparent that our current methods being used to keep all Officer information is not working and needs to be refined.

Here are the issues I saw in my review...

- Past Officers are not getting retired.
- New appointments are not being made.
- There is no email confirmation from the Home Office to Regional Directors regarding Officers that are not Director Appointments.

Conclusion... This left me with two choices.

- Option one: put more requirements and procedures on our appointing Officers in the field in an effort to get our arms around this problem.
- Option two: to downsize our effort and only list those deemed absolutely necessary.

Option one is not the answer. I do not want to put more paperwork burden on our Officers, so we have decided to reduce the amount of appointment paperwork that goes to the Home Office thus reducing the issues we are having. I believe that you will find our solution favorable.

This is the list of Officers that we will now be recording on the National Database.

Region Team Officers: Director, Educator, Membership Enhancement Coordinator, Leadership Trainer, Treasurer (no Assistants will be recorded)

District Team Officers: Director, Educator, Membership Enhancement Coordinator, Leadership Trainer, Treasurer (no Assistants will be recorded)

Chapter Team Officers: Chapter Directors only, (no Educator, Membership Enhancement Coordinator, Treasurer, or Assistants will be recorded)

Very important note: Assistants (whether Director or Educator) are very important to us and their Team. The problem is that there can be multiple Assistants at every level and this makes it very difficult to determine who is current and who needs to be retired. Also, because of the Wing World Director listing, Chapter Directors need to be recorded.

Second very important note: The GWRRA liability insurance will still cover appointed Officers regardless if they are listed on the National Database as such. The insurance coverage is written in a way that covers those that are responsible for a scheduled GWRRA event. So it is not exclusive to only Officers, it also includes Rider Course Instructors, Parking lot Facilitators, Road Captains of an organized scheduled ride, etc...

So what do we do with the appointment work sheet and MOU of those Officers that we are not recording on the National Database? Answer: It stays at the Region and District Level and is passed on to their successor.

Chapter Assistant Director, and Chapter Treasurer Appointments, with the MOU, will reside with the District Director. Chapter Educator, and Chapter Membership Enhancement Coordinator appointments, with the MOU, will reside with the District appointing Officer.

The District Director, with the assistance of their Program Directors, will compile a list of their Chapter and District Officers. This list will be forwarded to the Region Director. The Region Directors will compile their District Lists and have it available for review by the Deputy Directors. New appointments are simply added to the list and retired Officers are removed.

Hopefully this issue is now resolved. Don't hesitate to call or email me, your Deputy Director, or your Appointing Officer if you have any questions.

Thanks,
Mike Stiger
Director of GWRRA

The Region Directors:

The year is fast coming to a close and that means that there will be a few Officer changes within the organization. Please let's make all of the transitions smooth for the sake of our members. The "retiring" Officers have lots of information and experience that can greatly help "new" Officers provided it is delivered and received in the GWRRA spirit of "Friends, Safety and Knowledge".

Very recently, Dottie and I were able to announce that Kevin and Georgia LeBlond have accepted the position of the Massachusetts District Director. Kevin and Georgia served as Assistant District Directors for Massachusetts during this past year and have also served as the Chapter Directors of MA-A. Kevin and Georgia will step up as Massachusetts District Directors effective on January 1, 2012.

Our Region Core Team met and we are going to attempt to hold a FUN SHOP in April. New Jersey has agreed to be a host and to locate a facility. We will be drawing on instructors from throughout the Region to help. More details will be forthcoming. The Rider Education program is well-funded thanks to the support given to the quilt raffle. I have charged our Region Educator with the pleasant job of spending that money on instructors to make sure we can bring the programs as close to the members as possible. We would like to host a Training Day both in the northern and southern parts of our Region. If any Chapter or District is interested in being a facilities host please let our Region Educator Tim Grimes know. Our MEC program is doing well under Mike Mandell and Mike Prince. I keep hearing that we have more and more Chapters looking to get involved in the Couple of the Year and Chapter of the Year programs. There is NO downside to these programs as they are a guideline to having FUN.

An interesting thing happened as I was writing this month's article. I wanted to reinforce something that Mike Mandell, Region MEC continues to say and that is THANK YOU. Saying thank you is so very important as it is our only "paycheck". It is so very important for all of us to remember. So to all of my Region Team and the District Teams...Thank YOU, because without your involvement and support, GWRRA would not be the great organization it is.

**Ride Safe and Keep the Joy in the Journey,
Ed & Dottie Bahrenburg
Northeast Region B Directors**

Adam and Beth Hanna of Stratham, New Hampshire were the winners of the Quilt, which was raffled at the Pennsylvania District Convention on Saturday, September 10th, for the Rider Education Fund.

The all-new G2010 First Aid – CPR course

If you haven't heard, the new Medic First Aid G2010 courses have been released and all of our Region's CPR Instructors are certified to present it. It is not the same course that you have taken during the past five years! The new Basic course has been greatly expanded with many new topics as well as incorporating the newest research in emergency medical care. New topics include emergency treatments for: Ingested and Inhaled Poisoning, Heat Exhaustion & Heat Stroke, Hypothermia & Frostbite, Severe allergic reactions, Asthma, Burns including Thermal, Chemical and Electrical Burns, and treatment of Fractures. All of these topics are in addition to what you have seen in the past. There are also sixteen optional topics that can be covered in an expanded course if desired. We will still offer a similar, new Care-Plus course for re-certification of those who only need re-certification.

Unfortunately the cost of our courses has increased throughout most of the Region. We find that we must charge \$30 per member and \$35 per non-member for all of our courses. This is the same as charged at Wing Ding and is required because of the increased costs of the training materials and shipping those materials throughout the Region. While \$30 may seem to be excessive, you need to realize that locally the American Red Cross charges \$110 for a similar course! Please also remember that the first few minutes after someone suffers a medical emergency are the most important moments in determining the victim's chance of survival and it often takes ten to more than twenty minutes for Emergency Medical Service personnel to arrive on the scene. Is \$15 per year too much to spend on your loved-ones life and health?

This is the time of year that Chapters usually get together and plan the calendar for the next year. Please consider scheduling a new Medic First Aid class for your Chapter in the next few months. You and your families won't regret it.

Thanks
Keith Price
Region CPR/FA Coordinator
